2021 MLL Sponsorship Program

Dear Merchant,

It is the mission of Manchester Little League to bring the little league experience to as many youth in Lakehurst and Manchester Township as possible. Little League is a nonprofit organization providing organized baseball and softball for young people between the ages of 4 and 18. It is the only organization of its kind to have the official support of the United States government in the form of a federal charter. Little League has become the world's largest organized youth sports program. In the space of just six decades, Little League grew from three teams to nearly 200,000 teams, in all 50 US states and more than 80 countries. Such efforts are not possible without the support of local businesses in the form of sponsorships and other donations. In this regard, we would truly appreciate your participation in support of the youth in our township for the upcoming 2021 Baseball & Softball season.

The past few years have been very exciting times for Manchester Township Little League. We have been in existence for well over 50 years. Our main baseball field Joe Carter Stadium, has been up and hosting continuous games from tee-ball through major division games from district to state games. We continuously improve the overall complex and grounds for the children in our Township. With five ball fields, 6 outdoor batting cages, garages, storages buildings, sidewalks to each field, lighted fields, district, sections & state championships in baseball and softball, play areas for our younger siblings, picnic areas, shaded tree acreage, ample parking for all visitors, a top notch expanded concession stand, three separate bathrooms facilities on the complex, two clubhouses for meeting and announcing of games and an 11,000 sq. foot Indoor Training Facility for all Baseball and Softball athletes. Not to mention, the expanded MIT Tournament which includes our league hosting over 80 games in July with various teams from Ocean County and Monmouth County. Your business has the opportunity to keep us successful as we move forward and we have several ways you can participate in our program. Our 2021 sponsorship program is detailed within the attached sheets.

Together let's make the little league experience one that the youth of our community will cherish for the rest of their lives. Please review the form attached, select the participation level of your choice and return the form to our league representative along with your donation.

As always, the Manchester Little League is grateful for your ongoing support and dedication to the children of Manchester Township.

Sincerely,

Rich Zingaro
